PRESS RELEASE

Easter Seals Cardinal Hill Explores New Facility

LEXINGTON, Ky. (July 31, 2020) - Easter Seals Cardinal Hill is driven by a tireless passion to champion people of all ages, ensuring that everyone - regardless of ability or life challenges - has the opportunity to live, learn, work, and play in our communities. To this end, our Board of Directors and Management Team continually researches and evaluates opportunities to serve more members of our community. This includes looking at the purchase of property and facilities that meet the needs of our expanding client base. One such opportunity currently being considered is the former Shriners property located on Richmond Road.

“We believe our plan would preserve this iconic piece of property for the community. This would allow our organization to expand our existing programs and add additional programs continuing the long tradition of Easter Seals Cardinal Hill of providing services to people from Central and Eastern KY,” said Gregg Thornton, board chairman.

We will provide updates as this process unfolds.
